As part of this commitment, all employees, volunteers, apprentices, and young people will be given equality of opportunity in respect of recruitment, training, and assessment, and will be promoted solely on the basis of their merits, abilities and potential.
- To promote equality in the workplace, which it believes is good management practice and makes sound business sense. This is inclusive of recruitment, advertising and selection for roles, training and promotion, terms of employment, benefits, facilities & services, and equal pay for all.
- To regularly review all employment and volunteering practices and procedures to ensure that no job applicants, staff, academy members, trustees or volunteers are treated less favourably than others.

3. Purpose

The purpose of this policy is to provide equality and fairness for all our employees, volunteers, players, and service users where there is zero tolerance of prejudicial attitudes, behaviours, unfair treatment, or discrimination in relation to protected characteristics within UK legislation. Kick It Out is committed to equality, inclusion, and anti-discrimination. The organisation will continue challenging discriminatory behaviours and promoting equality, diversity, and inclusion in football. LCFC understands the importance of raising awareness, education, investigating concerns and complaints, widening diversity and opportunities for under-represented groups and individuals, as well as promoting diverse role models.

LCFC recognises that certain sections of the community have been affected by past discrimination and perceived cultural differences. It is critical for us to be responsive to change. Innovative thinking and different ideas are needed to deal with the ever-increasing pace of change. Our ability to contribute to the success of LCFC through creativity and

improvement will be greatly enhanced by the diversity of peoples' experiences and perspectives. LCFC's ability to attract and retain the highest calibre staff and volunteers from the widest pool of people, whom we serve, is essential in developing a leadership position.

4. Principles

LCFC is committed to promoting equality, diversity, and inclusion and to confronting and eliminating discrimination within its services and activities in respect of the following 'Protected Characteristics' set out in the Equality Act 2010:

- Age
- Disability
- Sex
- Gender Reassignment /gender identity
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race (including ethnic origin, background, nationality, and national origin)
- Religion or Belief
- Sexual Orientation

LCFC also recognises that not all disabilities are visible and as such includes communication and learning differences (such as Autistic Spectrum Disorder and Dyslexia).

LCFC shall ensure that:

- it provides equal opportunities for all those employed by the Club or who wish to participate in sport;
- everyone is treated fairly and with respect;
- it will provide access and opportunities for all members of the community to participate in, and make use of, its services.

- All fans, players, staff, volunteers and participants and other people who engage with the Club's activities can be assured of an environment in which their rights, dignity and individual worth are respected, and that they are able to engage with our staff and representatives in an environment free from discrimination.

5. Legal requirements

LCFC is required by law not to discriminate against its employees and recognises its obligations to comply with EU Directives and UK law.

Discrimination can take the following forms:

Direct Discrimination

This means treating someone less favourably than you would treat others in the same circumstances based on one or more of the protected characteristics listed in section 4 of this document. Treatment will still amount to direct discrimination even if it is based on the protected characteristic of a third party with whom the job applicant or employee is associated and not on the job applicant's or employee's own protected characteristic. In addition, it can include cases where it is perceived that a job applicant or an employee has a particular protected characteristic when in fact they do not.

The Company will take all reasonable steps to eliminate direct discrimination in all aspects of employment.

Indirect Discrimination

Indirect discrimination is treatment that may be equal in the sense that it applies to all job applicants or employees, but which is discriminatory in its effect on, for example, one particular sex or racial group.

Indirect discrimination occurs when there is applied to the job applicant or employee a provision, criterion or practice (PCP) which is discriminatory in relation to a protected characteristic of the job applicant or employee. A PCP is discriminatory in relation to a protected characteristic of the job applicant or employee if:

- it is applied, or would be applied, to persons with whom the job applicant or employee does not share the protected characteristic
- the PCP puts, or would put, persons with whom the job applicant or employee shares the protected characteristic at a particular disadvantage when compared with persons with whom the job applicant or employee does not share it
- it puts, or would put, the job applicant or employee at that disadvantage, and
- it cannot be shown by the Company to be a proportionate means of achieving a legitimate aim.

The Company will take all reasonable steps to eliminate indirect discrimination in all aspects of employment.

Harassment

Harassment can be described as inappropriate actions, behaviour, comments or physical contact that is objectionable or causes offence to the recipient. It may be of a sexual or racial nature or it may be directed towards people because of their age, their sexuality, a disability or some other characteristic.

Victimisation

This occurs when someone is treated less favourably than others because he or she has taken action against LCFC under relevant legislation or provided information about such discrimination (also known as 'Whistle-blowing').

LCFC is committed to ensuring that its employees, members and volunteers are able to conduct their activities in an environment that is free from harassment or intimidation.

LCFC will take steps to prevent victimisation or other unfair treatment of its employees, academy members or volunteers.

LCFC regards discrimination and harassment as described above as gross misconduct and any employee of the Company, participant or volunteer who discriminates against any other person will be liable to appropriate disciplinary action.

6. Responsibility

The Chief Executive Officer has direct and overall responsibility for the implementation of the Equality, Diversity, and Inclusion Policy, and for dealing with any actual or potential breaches of the policy, with the support of the Board of Directors and Senior Management Team.

All employees, academy members, trustees and volunteers have individual responsibility to:

- Respect, act in accordance with, and thereby support and promote the spirit and intentions of this policy.
- Act as role models for good practice, and to adopt a proactive role in challenging improper behaviour.
- Follow procedures to ensure equal opportunity and to be non-discriminatory.
- Draw the attention of management to suspected or alleged discriminatory practices.
- Refrain from harassing or intimidating other employees, academy members, trustees, volunteers, visitors or opponents of LCFC on any of the grounds cited in this policy statement.
- Report any concerns about inequitable or discriminatory practices or behaviour without delay to either the Chief

Executive Officer or General Counsel.

7. Implementation

A copy of this document will be available to all staff, members, and volunteers of LCFC.

LCFC will take measures to ensure that its employment practices are non-discriminatory.

No job applicant will be placed at a disadvantage by requirements or conditions which are not necessary to the performance of the job, or which constitute unfair discrimination.

A planned approach will be adopted to eliminate barriers that discriminate against particular groups.

LCFC will ensure that its consultants and advisers can demonstrate their commitment to equality principles and practice.

8. Positive Action

Where LCFC identifies an issue or trend arising from disadvantage or imbalance of opportunity that an individual or group with a protected characteristic could face, the Club is committed to lawfully using positive action to address it. The aim is to contribute to building better relationships with our communities and encourage equality, diversity, and inclusion across the Club.

9. Reporting

LCFC aims to empower individuals to report concerns, knowing that confidentiality (where appropriate) and action will be taken, and a fair and thorough investigation will follow.

If an employee has concerns they should speak with their Line Manager or the Chief Executive Officer as soon as possible. The Club will support those that have reported incidents or raised concerns.

If a member of the public raises concerns or matters for investigation the Club will act promptly and proportionately, and communicate incidents to staff (where appropriate), the Board of directors and external agencies (if required). Where relevant and possible, the Club will recognise and follow up with the person(s) reporting or raising concerns.

All reported incidents by the public will be fed back to the Chief Executive Officer as soon as possible, or in urgent cases, a member of the senior management team who will take action accordingly.

Incidents and relevant matters for concern will be taken to the Board of directors or relevant sub-committee for awareness, learning and resolution.

All incidents and concerns raised will be recorded, investigated and learning taken to continuously improve services, develop understanding, increase inclusion and identify future training.

10. Breach of the policy

LCFC is concerned that individuals should feel able to raise any grievance and no employee will be penalised for doing so unless the complaint is not true or not made in good faith.

To safeguard individual rights under this policy, a person who believes that he/she has suffered unfair treatment within the scope of the policy may raise the matter through appropriate company procedures.

Where such matters occur, a written report of the circumstances should be made to the Chief Executive Officer at the earliest opportunity. If it is deemed necessary, the Chief Executive Officer will take appropriate action, which may include disciplinary action being taken against any employee who violates this policy.
